

Business Development Manager

Always on the lookout for new business? This international wholesaler in Zwijndrecht pays a full time gross monthly salary of € 5.000,- for their new Business Development Manager!

In your job you develop and build the Home Gardening Brand of a wholesale company that knows everything about plants. Really everything. Did you know that farmers and growers can multiply their crops? Give us a moment to explain that. When a commercial grower wishes to have a higher profit from their crops, they can 'divide' their plants into more plants without sowing seeds. This company in Zwijndrecht helps these ambitious farmers and growers to arrange such a thing. New leads turn into prospects every day, new business is created every day. You are essential every day. Sounds like a match made in... contract? Good! Get in touch via Jimin. Give him a call via 078 - 303 03 06 and he will explain further details with you.

RAAAK Personeel cares about you!

We are RAAAK Personeel, a leading employment agency with ATTENTION and care for everyone. What do you think the three A's stand for? Correct! We pay attention to our clients, our candidates and therefore also to you!

How does an employment agency work? Well, if someone like you is looking for a great job, they come to us. Simple. But that is not everything. We guide our candidates during their work, help them find the job that makes a difference and we stand up for their interests. And if you turn that phrase around, we will do the same for our clients! Oh, and we love the orange color. It makes us happy.

Your job

A Business Development Manager finetunes and implements the Home Gardening Strategy of this client. Your seat will be at the marketing department. You rebuild the website, improve all packaging designs and support partners in increasing brand awareness. Do you like a direct and casual working atmosphere in which Mondays are there to ask the other person about last weekend? Great!

YOU are the bridge between client and company as you ensure compliance with purchasing and contract regulations. You define the basic Home Gardening portfolio and optimize the assortment at partners. Every day you ask yourself this question with a fresh cup of coffee: 'how can we keep the company in the picture today and manage the brand tomorrow?'. Does that challenging desk seat belong to you? Find Jimin on the phone via 078 - 303 03 06!

YOU are everything

An expert in keen writing and savvy thinking? Perfect! Of course you bring in knowledge, expertise and experience in the game but your social skills are what matters most. Teamwork and results is wherefor you get out of bed every morning. Because you create business, you share in business. That is why you participate in the financial results of the company! Think about a variable remuneration that can be spend on that new bike you want or a week on holiday.

So, up for a competitive challenge at a thriving company? Develop also your career in the role of Business Development Manager and apply. They need you. Questions? Don't hesitate to call Jimin via 078 - 303 03 06. He will be waiting.
